## LOOKING AHEAD

We need run leaders for our open run, and our Hop, Skip, & Brew premium run in **July**.

Because we have moved our Summit Point track day and club picnic to **October** the club calendar is now wide open for drives in July, and we need volunteers to lead.

💡 Have an idea? Don't have an idea, but would love to lead a fun run? We can help, please contact someone on the board and we will help with suggested routes and set up.

**AUGUST 4-5**

Looking for a fun MINI event this summer?

MINI On The Mack is one of the largest gatherings of MINIs in the US.
